VOLUNTEERS NEEDED!!

The Township together with the Royal Canadian Legion Br. 169 are working to put together a food delivery program for our vulnerable population and those that are sick or are otherwise unable to safely get their own groceries. In order to get this program up and running, we are looking for volunteers who would be willing to help. At this time, we are still working out the details of the food delivery program. Please contact the Township of White River at (807) 822-2450 if you are interested in helping our most vulnerable get through this very difficult time safely.
