RECOMMENDED SNOW REMOVAL PROCEDURES

- The Municipality of White River prohibits the dumping of snow or ice on property of the Municipality or private property. Pushing snow across roads and streets is not only a safety hazard; it is also against the law. The Ontario Traffic Act states: No person shall deposit snow or ice on a roadway without permission in writing to do so from the Ministry or the road authority responsible for the maintenance of the road. R.S.O. 1990, c. H.8, s. 181
- Please make sure that your snow removal practices are not uncovering water or sewer lines. Snow acts as insulation to prevent lines from freezing.
